DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on August 23, 2007 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant failed to be fully responsive, because the reply in writing did not specifically points out all of the supposed errors in the examiner's action filed February 23, 2007. For example, no response has been made to examiner's reference to M.P.E.P 2125 that a drawing can anticipate a claim and "it does not matter the feature shown is ...unexplained." See 37 CFR 1.111 (2)(b). Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
